 Yes No

Application: _____

Please Provide Measurements of Height and the Width (in inches) at the Top, Center, and Bottom of the Opening.

If Inside Stand-Off Mount, please provide measurement from the jamb to the outside of the track (A) and the width of existing door guide tracks (B).

Please provide the projection from the wall to the front of the existing door tracks.

If Bollards are present, please provide measurement between door track and bollard

Please Provide Measurement (in inches) From Wall to Edge of Door Track at Approximately 8" Above the Header.

*Note for Wall Mount or Inside Stand-Off Mount: The illustration below shows the areas that need to be free from any obstacles to allow the door to operate properly. If there are any obstructions in these areas, they must be removed.

Charges will be assumed by buyer for changes or cancellations to work in progress. Buyer hereby accepts responsibility for all sizes, dimensions, and door options specified above. This order will not be processed until door measurement guide is signed.
