Put Up Changes & Partial Rolls (Rerolling)

SAVE-T® PVC

Rewinding Services

Put Up Changes and Partial Rolls

Film and Supported Vinyls -

TMI can change the put up, or roll lengths, on our standard stock roll sizes. Utilizing our 2 rewinding machines, we can rewind the original rolls on to new cores at shorter lengths. This service is available for master rolls only.

Machine	1	2
Maximum Roll Width	76"	80"
Maximum Roll O.D.	18"	18"
Minimum Thickness	12 mil	4 mil
Maximum Thickness	0.08"	0.08"
Cores Sizes	2", 3", 6"	3", 6"

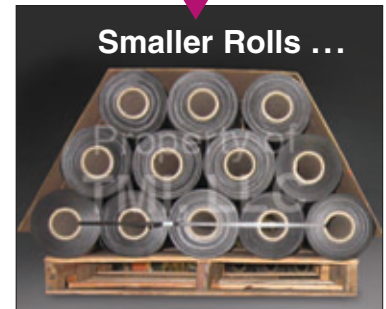

Strip and Sheet Roll Vinyls - TMI can change the lengths on our standard roll sizes, utilizing one of 2 automated machines. Strip, sheet and panel materials are also available in partial roll quantities when less than full rolls are desired. Usually these rolls are rewound onto 6" I.D. cores and re-boxed for next day delivery.

OTHER MATERIALS

TMI can change Put Up on any material even if we don't sell it. Call us to see if we have the solution for you.
